

# Teaching Workshop

## Glycosylation in Health and Disease

July, 3<sup>rd</sup> 2023 from 8:50 am to 5:00 pm

International Academic Forum Heidelberg  
Hauptstraße 242, 69117 Heidelberg

Registration <https://www.conferencecentral.org/24>

### Program

#### Session 1

- 8:50 am** *Welcoming Remarks* Sabine Strahl (Heidelberg University)
- 9:00 am** ***Protein N-glycosylation***  
Thierry Hennet (University of Zürich)
- 9:45 am** ***Protein O-glycosylation from yeast to human***  
Adnan Halim (University of Copenhagen)
- Coffee Break* *meet the speakers*
- 11:00 am** ***N- and O-linked glycans in cancer***  
Salomé S. Pinho (University of Porto)
- 11:45 am** ***Glycans in immunity and inflammation***  
Bernd Lepenies (University of Veterinary Medicine Hannover)
- Lunch Break*

#### Session 2

- 2:00 pm** ***Function of protein C-mannosylation***  
Hans Bakker (Medizinische Hochschule Hannover)
- 2:45 pm** ***Congenital disorders in (glyco)sphingolipid metabolism***  
Roger Sandhoff (DKFZ Heidelberg)
- 3:30 pm** ***Protein glycation, diabetes, and aging***  
Rüdiger Horstkorte (University of Halle-Wittenberg)
- 4:15 pm** *Closing Remarks*
- Coffee Break* *meet the speakers*
- 5:00 pm** **end**
